# WELCOME LETTER

## DEAR COLLEAGUES

- On behalf of the organizing committee, it is my pleasure to invite you to the 3rd Congress of the International Society of Pediatric Respiratory Diseases (INSPIRED), taking place from June 26-29, 2025 in Barcelona. This international congress is the only one being dedicated to pediatric respiratory diseases, bringing together experts, professionals, and researchers in the field from all over the world.
- The 2nd INSPIRED meeting in 2024 was a great success, attracting nearly 450 participants from 60 different countries. The congress features a diverse range of topics through interactive sessions, panel discussions, and workshops. Attendees have the opportunity to network with peers and industry leaders, engaging in meaningful exchanges to address the challenges and opportunities in our field.
- We invite your participation in INSPIRED 2025, which we expect to gather 600 participants from around the globe. Your presence will contribute significantly to our goal of improving respiratory health for children worldwide.

**We look forward to seeing you in Barcelona, June 26-29, 2025!**
